## BACK TO NATURE

Go somewhere special.  
Do something memorable.

The Palm Island Resort, by Elite Island Resorts

In a world of continuously evolving gadgets, it's easy to get caught up in the newest and latest and overlook life's more simple pleasures, its natural beauty.

We forget the joy that sitting around a campfire under the stars brings, the peace that comes from sipping coffee beside a perfectly still lake, the adrenalin felt zipping overtop of the rainforest canopy, or the pure bliss of being the first set of tracks on fresh mountain powder. When you're ready to break free from the daily grind and surround yourself with indescribable beauty, it's time to get back to nature. This collection features properties tucked into settings that are unrivaled in both their beauty and uniqueness. You'll find lodges at the heart of National Parks, ecoresorts with unreliable WiFi and stunning ocean views, private island getaways, secluded beach hideaways, adventure havens, and a stunning cliff side hotel.
